

## How to STEAL information about a character's identity...

\_\_\_\_\_ - What the character \_\_\_\_\_ tells us about their personality.

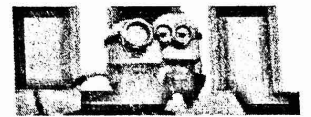

\_\_\_\_\_ - What the character is \_\_\_\_\_ about helps us understand what is important to them.

\_\_\_\_\_ on others - Does the character make others feel good or bad? This information helps us understand the character's personality traits.

\_\_\_\_\_ - How the character behaves and what they do helps us understand what to expect from them.

\_\_\_\_\_ - What the character looks like helps us make some inferences about their personality.
